

Lesson Plans that Shine!

A lesson plan is an essential tool in designing a high quality learning experience in early learning. Lesson plans are crucial for staying organized and ensuring class time is used appropriately. They also help make sure the appropriate skills are being taught in a developmentally appropriate way that benefits each child in the class. Participants will learn how to organize their thoughts, create and develop appropriate goals and objectives, and write lesson plans for a high quality preschool program.

Join us as we go on a lesson planning adventure!

Register online at www.phelc.org

CEUs will be available for this training!
