This training is based on the newly revised Florida Early Learning and Developmental Standards and provides an overview of the standards used in preschool classrooms serving children ages three years old to Kindergarten. This training meets the lead VPK instructor training requirements and incorporates the standards approved for use in VPK programs. Examples of developmentally appropriate instructional strategies for preschool age children are provided throughout the training along with information about purposeful planning, reflective practice and qualities of an effective educator. Through an interactive presentation, video clips, and hands-on activities, participants will become familiar with the Standards and understand the elements of quality instruction in preschool classrooms. (3 hours and 0.3 CEUs) Register on www.myflorida.com/childcare/training.
