

Personnel Policy & Procedure

SECTION I

The purpose of this policy is to establish guidelines for employees. It is an internal management document and is not intended to create an employment contract or term of employment. It is meant to guide the actions of management. The Early Learning Coalition of Pasco and Hernando Counties, Inc. reserves the right to change or rescind, in whole or in part, at any time and without liability to anyone the policies, principles and practices stated in this manual.

The employment relationship between the Early Learning Coalition of Pasco and Hernando Counties, Inc. and its employees is an employment-at-will relationship. As such, either the Early Learning Coalition of Pasco and Hernando Counties, Inc. or the employee may terminate the employment relationship at any time, with or without reason. Nothing in this manual should be interpreted to imply or state otherwise.

EQUAL OPPORTUNITY POLICY

Equal Opportunity is the Early Learning Coalition of Pasco and Hernando Counties, Inc. policy. It is the Early Learning Coalition of Pasco and Hernando Counties, Inc.'s policy to select the best-qualified person for each position in the organization. No individual within the Early Learning Coalition of Pasco and Hernando Counties, Inc. with hiring responsibility will discriminate against an applicant for employment or a fellow employee because of race, creed, color, religion, sex, disability, national origin, ancestry, or age. The Early Learning Coalition of Pasco and Hernando Counties, Inc. will not discriminate against any applicant or fellow employee because of physical or mental handicap or because of the person's veteran status. This policy applies to all employment practices and personnel actions.

RECRUITMENT

Early Learning Coalition of Pasco and Hernando Counties, Inc. has adopted an aggressive recruitment policy to attract top-caliber individuals to fill positions at all levels of the organization. Many positions may be filled with employee transfers or promotions. Others will be assigned to new employees, who are recruited or apply directly to the company. Recruitment may be conducted through advertising, employment agencies, schools, employee referrals, or technical and trade referrals. Supervisors/managers should discuss the most appropriate method of recruitment for filling departmental positions with the Executive Director. All recruitment shall be conducted in an ethical, professional, and non-discriminatory manner. Before filling any approved position vacancy, current employees who apply shall be given equal consideration for transfer or promotion. Refer to Section V of this policy, "Announcement of New Positions".

EMPLOYEE SELECTION PROCESS

Selection of candidates for all positions will follow the Early Learning Coalition of Pasco and Hernando Counties, Inc.'s Equal Opportunity policy. Only the Executive Director, or his/her designee, is authorized to place ads, respond to inquiries from employment agencies, and post requisitions on the Coalition's website or other community or web-based company bulletin boards.

Job-related duties and qualifications, as listed on each job description, will provide the basis for initial screening of applications. All applications and resumes received for the requisitioned position will be forwarded to the appropriate department manager. The department manager will conduct initial screening for the minimum qualification. The department manager will further screen the applications to select those individuals to be interviewed for the position. The department manager will conduct the interviews, unless otherwise delegated by the Executive Director. Recommendations for hire will be made to the Executive Director who has the final hiring authority. Only job-related questions or ones which assess the candidate's experience, skill, and training, will be asked. Definite salary commitments will be avoided during the initial interview.

Some positions will require skills for which a known level of competence must exist; for example: keyboard or mathematics. Under these circumstances, the interviewer may request applicants to demonstrate these skills by completing an exercise involving a job-related work sample. It must be evident that such an exercise measures knowledge or skills required for the particular job. The results of an exercise must prove to be a valid prediction of job performance. All interviewed applicants must be given the same exercise.

The Executive Director or designate will be responsible for verification of employment information provided by the applicant.

The applicant should be advised that this information will be verified. ***For all appointed candidates a thorough background review, to include at minimum – reference review, employment verification through the US Department of Homeland Security E-Verify system, drug screening and fingerprinting through a VECHS approved contractor/location, will be accomplished.****

This verification of information should be documented and will become part of the data used in the selection process.

* Refer to Background Screening Policy for additional information.

No smoking will be allowed in the office area, on the outside grounds or in Coalition vans or vehicles at any time. This policy is for the health and safety of all employees.

EMPLOYEE RIGHTS

EMPLOYMENT CLASSIFICATIONS

Positions within the company are generally designed to require full-time employees. In certain functions and during some seasons, work schedules and company needs may require the services of other than full-time employees. There are four (4) classifications of employees at Early Learning Coalition of Pasco and Hernando Counties, Inc.:

1. Full-time,(exempt and non-exempt salary and non-exempt hourly)
2. Part-time,
3. Temporary, and
4. Summer.

Full-time - An employee hired for 40 hours per week; qualified to receive all benefits.

Part-time - An employee hired for at least 20, but less than 40 hours per week and may be qualified for some benefits such as Paid Days Off (PDO). Part-time employees working 30 hours or more per week are eligible for benefits including health insurance, enrollment in the pension plan and pro-rated PDO accrual. Enrollment in the pension plan is available for employees working at least 20 hours per week. Part-time employees working less than 20 hours per week do not qualify for benefits.

Temporary - An employee hired for a position for which the scheduled work week can range from less than 20 to 40 hours, but the position is required for only a specific, known duration, usually nine months or less.

Summer - An employee hired only for the summer months (typically May through September) for a position for which the scheduled work-week can range from less than 20 to 40 hours.

Temporary nor summer employees qualify for regular company benefits unless contradictory to state and federal regulations.

New Employee 90-Day Probationary Period

The purpose of this policy is to establish guidelines during which to observe the new employee's work, to secure the most effective adjustment of a new employee to the position, and to reject any employee whose performance does not meet the required work standards.

- A. The introductory or 90-day probationary period is utilized to observe the new employee's work, to secure the most effective adjustment of a new employee to the position, and to reject any employee whose performance does not meet the required work standards.

- B. The employment of a person shall not be deemed complete for a period of ninety (90) days. The Executive Director, without cause, may discharge an employee within the introductory period. If the employee is not discharged before completion of his/her introductory period, the employee shall be confirmed in his/her position and shall be a regular employee of the Coalition.
- C. During the employee's introductory period the Executive Director or Designee will notify the employee if performance is not satisfactory. If a newly hired, introductory-period employee has been found to be unsatisfactory, the employee shall be dismissed by the Executive Director.
- D. An "Introductory Period" employee shall be evaluated ninety (90) days after his/her start date, in accordance with the following procedure:
 - A summary review of the employee's performance will be made utilizing the Introductory Period Review Form. The employee shall be rated "Meets Expectations," "Fair but Needs Improvement" (in which case the introductory period will be extended an additional ninety (90) days), or "Does Not Meet Expectations" (which will result in the employee's separation from the company). The employee shall be advised of the results of the Introductory Period Review. If the employee's performance does not meet expectations, the reasons must be stated on the form, and any supporting documentation must be attached and filed in the employee's personnel file.
- E. Authorized and unauthorized absences of leave without pay will not count toward completion of the introduction period.
- F. Thereafter, on the employee's anniversary date, a review of the employee's performance will be made utilizing the Annual Progress Review Form. The employee may receive a merit raise based upon documented, sustained, or superior performance. An employee's pay increase could include a Cost of Living Adjustment (COLA), which would be effective on the first day of the new fiscal year. Lump-sum incentive payments may be awarded for special achievement, as recommended by the Executive Director. All incentive payments will be approved by the Board of Directors prior to payment. All employees will be considered for such payments. Incentive payments will be calculated and determined in a fair and consistent manner. All incentive payments will be adequately documented. Incentive payments are not included in an employee's base rate of pay.

CORRECTIVE COUNSELING AND PERFORMANCE IMPROVEMENT

If an employee has already completed the probationary period and their performance is deemed to be unsatisfactory, the employee shall be made aware of the areas of concern in the following manner:

- o First occurrence: Verbal Coaching Session.
- o Second occurrence: Written Correction Notice.
- o Third occurrence: A Performance Improvement Plan will be implemented.

Should the employee disagree with the evaluation, they should be allowed to submit their grievance in writing to their supervisor. A response to this grievance must be received within five (5) working days.

Corrective counseling may be initiated when management believes that an employee's performance problem can and will be resolved through adequate counseling. Corrective counseling is completely at the discretion of management. The company desires to protect its investment of time and expense devoted to employee orientation and training whenever that goal is in the company's best interests. The company expressly reserves the right to discharge "at will." Even if corrective counseling is implemented, it may be terminated at the discretion of management. Management, in its sole discretion, may warn, reassign, suspend, or discharge any employee "at will," whichever it chooses and at any time.

The Executive Director, in consultation with the employee's supervisor, after review of the employee's corrective counseling documentation, will determine the length of probation. Typically, the probation period should be at least two (2) weeks and no longer than sixty (60) days, depending on the circumstances, or as deemed necessary by the Executive Director. A written probationary notice to the employee is prepared by the supervisor/manager. The letter should include a statement containing the following:

- A. The specific unsatisfactory situation;
- B. A review of oral and written warnings;
- C. The specific behavior modification or acceptable level of performance expected;
- D. Suggestions for improvement; and
- E. A statement that further action, including termination, may result if defined improvement or behavior modification does not result during probation. Further action may include, but is not limited to reassignment, reduction in pay, grade or demotion.

Reasons for disciplinary actions include:

- A. Incompetence or unsatisfactory performance of duties;
- B. Misconduct;
- C. Conviction of a Crime;
- D. Hindrance of the regular operation of the department or unit because of excessive tardiness;
- E. Knowingly giving false statements to supervisors or the public;
- F. Violation of Early Learning of Pasco and Hernando Counties, Inc. administrative regulations or department rules, including safety rules;
- G. Use of or under the influence of alcohol or controlled substances on the job;
- H. Acceptance of gratuities;
- I. Loss of job requirements such as loss of necessary license that prevents an employee from doing his/her job properly or adequately;
- J. Deliberate falsification or omission on employment application that misrepresents individual's qualifications;
- K. Unauthorized disclosure of confidential information;
- L. Falsifying Coalition records including false recording of employee time entry on web-based portal;
- M. Unauthorized use, possession or removal of property belonging to the Early Learning Coalition of Pasco and Hernando Counties, Inc.;
- N. Proven theft, pilfering, fraud, or any other form of dishonesty in connection with the Early Learning Coalition of Pasco and Hernando Counties, Inc.;
- O. Unauthorized possession of firearms or other dangerous weapons;
- P. Assaulting, threatening, or intimidating anyone associated with the Early Learning Coalition of Pasco and Hernando Counties, Inc.;
- Q. Insubordination including refusal to obey a reasonable order or any act that challenges the authority of supervisory personnel issuing a valid order;
- R. Gross negligence of duty or leaving work during work hours without authorization;
- S. Discrimination against employees, clients, or any other persons associated with the Early Learning Coalition of Pasco and Hernando Counties, Inc. because of race, color, creed, age, sex, national origin, religion or handicap.

None of the foregoing shall prevent the dismissal, demotion, or suspension of any employee for any cause which is justifiable even though such cause is not contained among those previously indicated.

The Executive Director shall personally meet with the employee to discuss the probationary letter and answer any questions. The employee shall acknowledge receipt by signing the letter. If the employee should refuse to sign, the Executive Director may sign or designate a witness to sign attesting that it was delivered to the employee and identifying the date of delivery. The probationary letter becomes part of the employee's personnel file.

On the defined probation counseling date or dates, the employee shall meet with the supervisor/manager to review the employee's progress in correcting the problem that led to the probation. Brief written summaries of these meetings should be prepared with copies provided to the employee and the Executive Director. These summaries will also become part of the employee's personnel file.

At the completion of the probationary period, the Executive Director, or representative, and the supervisor/manager will meet to determine whether the employee has achieved the required level of performance and to consider removing the employee from probation, extending the period of probation, or taking further action. The employee will be advised in writing of the decision. If probation is completed successfully, the employee should be commended, though cautioned that any future recurrence may result in further disciplinary action.

Additional Disciplinary Actions May Include:

1. Suspension - A two (2) or three (3) day suspension with pay may be justified when circumstances reasonably require an investigation of a serious incident in which the employee was allegedly involved. A suspension may also be warranted when employee safety, welfare, or morale may be adversely affected if a suspension is not imposed. In addition, and with prior approval of the Executive Director, suspension without pay for up to three (3) consecutive working days may be imposed for such proven misconduct as intentional violation of safety rules, fighting, or drinking on the job. These examples do not limit management's use of suspension with or without pay in other appropriate circumstances, such as the need to investigate a serious incident. In implementing a suspension, a written counseling report should set forth the circumstances justifying the suspension. Such a report will become part of the employee's personnel file.
2. Involuntary Termination - The involuntary termination notice is prepared by the supervisor/manager with concurrence of, and review by, the Executive Director. The employee is notified of the termination by the Executive Director and will be directed to report to the personnel department for debriefing and completion of termination documentation. Involuntary termination is reserved for those cases that cannot be resolved by corrective counseling or in those cases where a major violation has occurred which cannot be tolerated. Discipline procedures may be disregarded where the health and well-being of the staff is perceived as being in jeopardy.

GRIEVANCE PROCEDURE

Subjects of Grievance

A grievance may be filed regarding the following matters and no others:

- Involuntary Termination of Employment
- Demotion/Reduction in Grade
- Suspension
- Denial of Request for Leave of more than thirty (30) days
- Violation of Coalition Policies

In order to be timely, a grievance must be filed within five (5) days after the event. Failure to file a grievance within that time period shall be deemed a waiver of the right to file a grievance, however, shall not preclude filing a grievance over subsequent events of the same or similar nature.

Grievance Procedure

- A. An employee must first verbally take the issue to his or her immediate supervisor; e.g., the Administrative Assistant to the Executive Director, the Executive Director to the chair of the Coalition, etc. If the grievance is with the immediate supervisor, the grievance would then be directed to the next person in charge. The supervisor must respond to the employee within one (1) business week of being notified of the situation.
- B. If the employee does not feel that resolution has been achieved, he or she must write a formal grievance and submit it to the Chair of the Coalition, who in turn must call an Executive Committee meeting within ten (10) working days of receipt of the formal grievance.
- C. If the employee is still not satisfied with the resolution, the issue must be brought to the attention of the Board of Directors at the next scheduled meeting of the full Board.
- D. In all cases, decision of the Board of Directors is final.

All job descriptions shall include the following information:

1. Title of position;
2. Reporting relationship;
3. Position summary or overview; and
4. Major duties and responsibilities.

All online time entries must be approved by the immediate Manager/Supervisor. If the Manager/Supervisor is not available the online payroll hours must be approved by the Executive Director or designee. Online payroll must be submitted no later than 8:00 a.m. every other Monday morning to the Manager/Supervisor. After the Manager/Supervisor approves and signs off on the online hours, the information will then be forwarded to the Office Manager for processing. The online entry forms must be submitted no later than 8:30 a.m. every other Monday to the Office Manager. This will ensure enough time for processing.

WORKDAY AND PAYDAY

Employees are paid bi-weekly, 26 times annually, every other Wednesday. A full-time workday consists of eight (8) hours with one (1) hour off for lunch. Specific hours will be consistent with those of the agency where the individual is physically located. Each work week consists of forty (40) working hours.

If a company holiday falls on payday, employees will receive their payroll check on the last workday prior to the holiday.

OVERTIME AND FLEX TIME

Management has the authority to adjust schedules to meet the needs of the organization. When this occurs, the Coalition operates in accordance with state and federal regulations. Employees in certain positions are eligible for overtime pay whenever they work in excess of forty (40) hours during the workweek. Such employees are classified as “non-exempt” and will be compensated at a rate of one and one-half (1.5) times the regular hourly rate for the overtime. Budget restraints usually do not allow for overtime, so this should be an exception.

When it becomes necessary for non-exempt employees to make scheduled adjustments to avoid overtime (working past forty (40) hours in the workweek) flex time should be used. In these cases, with the Executive Director's approval, an employee may leave early or report in later during the week in which the excessive hours will occur.

COMPENSATORY TIME AND COMPENSATION

Employees who do not qualify for overtime compensation based on their job duties are classified as “exempt” from overtime. Personnel in performance of their duties beyond the normal operations hours may, under certain conditions be considered for compensatory time off at the discretion of the Executive Director. No monetary reimbursement will be given in lieu of compensatory time off. Only full-time, exempt staff is eligible for compensatory time, although they are expected to work, on occasion, irregular hours as part of their job. Compensatory time shall be reimbursed on an hour for hour basis.

PERFORMANCE REVIEW AND EVALUATION

Any employee of the Early Learning Coalition of Pasco and Hernando Counties, Inc. shall be subject to performance evaluations. Any increase in an employee's salary shall have a performance evaluation as a prerequisite.

An employee's performance evaluation must reflect a rating of satisfactory or above or continued employment with the Early Learning Coalition of Pasco and Hernando Counties, Inc. will be jeopardized.

Evaluations shall be conducted:

1. At the end of the *ninety (90 day)* probationary period.
2. *At least once annually, during the month of the anniversary of employment.*

PROBATIONARY PERIOD

There will be a ninety (90) day probationary period for all new employees and for those employees who have been transferred to a new position. At the conclusion of the probationary period, the supervisor will conduct an evaluation detailing the individual's performance and provide feedback. Individuals whose performance does not meet the standards outlined in their job descriptions will not be eligible to continue employment with the Coalition.

PAYROLL DEDUCTIONS

The following mandatory deductions will be made from every employee's gross wages: federal income tax, social security tax (FICA), Medicare.

BENEFITS

INSURANCE

The Early Learning Coalition of Pasco and Hernando Counties, Inc. provides health insurance for all full-time employees. New employees shall be eligible for these benefits on the 1st day of the *month following their first full month of employment*. The employee may have the option of purchasing dependent medical insurance, at their own expense. These costs shall be paid through payroll deduction.

Employees hired *PRIOR* to 9/1/2014, who are covered by another health insurance plan, may opt out of the Coalition's health insurance plan; a stipend equal to the amount of the Coalition's insurance premium for an individual will be added to their bi-weekly payroll amount. Proof of insurance will be required.

Employees hired on or after 9/1/2014 may opt out of the Coalition's health insurance plan if they are covered by another plan, however, the stipend will be limited to \$50.00 per bi-weekly payroll.

An employee receiving a stipend who later elects to opt into the Coalition's health insurance plan shall no longer be eligible for a stipend.

Specifics on the terms/conditions of each policy shall be provided at the time of employment.

PENSION PLAN

The pension plan offered by Early Learning Coalition of Pasco and Hernando Counties, Inc. provides for an employer contribution match of up to five percent (5%) of the employee's salary for all full-time regular employees beginning on the first day of the month following their hire. Employees must contribute an equal amount to receive this match. Employees may contribute an additional amount of their salary.

LEAVE/PAID DAY OFF (PDO)

Employees of the Early Learning Coalition will earn PDO (Paid day off) time that may be utilized as vacation time, sick time or personal time. ***These PDO earning rates are effective for employees hired after January 2008. Employees hired prior to that date will continue to accrue PDO established for them upon hire.***

1. The Executive Staff will earn 4.62 hours of leave/PDO per week (30 days per year) and may accumulate up to 13 weeks of unused leave time.
2. The Professional Staff will earn 4 hours of leave/PDO per week (26 days per year) and may accumulate up to 6 weeks of unused leave time.
3. Full time hourly employees will earn 3.62 hours of leave/PDO per week (24 days per year) and may accumulate up to 6 weeks of unused leave time.
4. Any leave/PDO earned over the maximum accumulation may be put into a "PDO time bank". This leave/PDO bank may be used by any employee who has donated hours to the PDO Time Bank in case of emergency, as determined by the Executive Director, but is not eligible to be paid upon termination.
5. Part-time employees shall earn annual leave in proportion to their time actually worked and should not exceed the monthly accrual rate earned by full-time employees.
6. Temporary employees, hired for twelve (12) months or less or summer employees shall not earn or accrue annual leave.

Whenever possible, a Request for Leave form for PDO shall be submitted to the supervisor for review and approval not less than two (2) weeks prior to the first day of requested PDO. Upon return from unanticipated PDO, a request shall be filed immediately, which may or may not be approved by the employee's supervisor based on the reason for the unapproved/unanticipated leave.

New employees under ninety (90) probation will begin to earn and accrue PDO hours with the commencement of their employment. However, these employees will not be reimbursed for any PDO hours taken during their probation.

It is in the best interest of an employee who is ill or injured that the employee not remain at work. It is the supervisor's or manager's responsibility to send the employee home if the employee is incapacitated. If the employee has no PDO accrued, the employee will not be paid for that period.

Time for routine doctor or dentist appointments is to be charged to PDO. Employees are encouraged to make such appointments before arriving for work or after leaving work for the day, if possible. If time off is required for such appointments, arrangements should be made in advance with the employee's supervisor or manager.

The employee must use accumulated PDO in conjunction with income protection plans or other sources of disability income to achieve full pay for as long as possible. However, at no time can the combination of these exceed normal earnings.

An employee is expected to notify his or her supervisor or manager at the beginning of each workday during illness or injury. Exceptions to this include a serious accidental injury, hospitalization, and when it is known in advance that the employee will be absent for a certain period.

A Medical Release Statement is to be submitted to the employee's supervisor/manager for review before the employee returns to work in the following situations:

1. Ten (10) or more consecutive work days of absence due to illness or injury;
2. In all cases of work-related injury when the employee has been unable to work after the time of the injury;
3. When returning from medical or maternity leave of absence.

The employee shall be entitled to use three (3) days of PDO for the bereavement of his/her mother, father, husband, wife, children, brother, sister, grandparents, mother in-law, father in-law, brother in-law or sister in-law. Each employee will then be given up to three (3) additional paid days off.

LEAVE OF ABSENCE

Leave of absence is time off in a non-pay status. An employee must submit a request for leave of absence in writing to his or her supervisor/manager. Managers will forward the request for final approval to the Executive Director accompanied by the supervisor/manager's recommendation. The employee is expected to request the leave of absence with as much advance notice as possible. Leaves of absence will not be granted for periods less than two (2) weeks in duration. PDO should be used for such absences. The Early Learning Coalition of Pasco and Hernando Counties, Inc. will pay for employee benefits for the first thirty (30) days of an approved leave of absence. After that time, the individual will be responsible to refer to his/her certificate of coverage to determine what continuation rights, if any, are available. The individual will be responsible for all costs associated with employee and dependent benefits. Terms and conditions of benefit continuation will be subject to the contract for services between the Early Learning Coalition of Pasco and Hernando Counties, Inc. and the provider of the benefits.

The reason for leave should fall into one of the following categories:

1. Medical (including pregnancy-related)
2. Military
3. Personal

The employee has the responsibility to keep the Executive Director advised of the leave situation and to contact his or her supervisor/manager at least two (2) weeks prior to the expiration of the approved leave to discuss return to work. If the employee desires voluntary termination, this should be reported as soon as possible. The Early Learning Coalition of Pasco and Hernando Counties, Inc. will make a reasonable effort, consistent with good business practices and its' own employment needs, to reinstate an employee to the same position he or she previously occupied, or to a similar position, following a leave of absence.

However, in the case of leaves over six (6) months, the company cannot guarantee that the same or a similar position will be available at the time an employee desires to return to work, or thereafter. If this situation occurs, the Early Learning Coalition of Pasco and Hernando Counties, Inc. reserves the right to offer the employee a lower-level position, if one is available at the appropriate salary for such a position. An exception to this rule is where an employee is guaranteed reemployment rights under federal or state laws.

Benefits Determination

1. Holidays. To be paid for a holiday, an employee must be in active pay status the day before and the day after the holiday.
2. PDO. No PDO hours are earned during the leave period. Employees requesting a leave of absence for medical or military reasons may choose to use all earned PDO before beginning leave of absence.

Notwithstanding the above, an employee on leave of absence who fails to return to work at the agreed upon time will be terminated effective his or her last day of work or paid leave, whichever is later.

DISABILITY LEAVE

Medical Disability Leave

Disability leave is available to an employee whose physician certifies that the employee is temporarily disabled from performing his or her job because of illness, injury, physical or mental impairment, pregnancy, or childbirth. An employee may elect to use accrued PDO hours provided that the employee gives advance notice of this election to the supervisor prior to or at the time the leave begins. If accrued PDO is to be used, it shall be used at the beginning of the leave. Following the use of accrued PDO time, the remainder of the leave shall be unpaid. Employees on disability leave should apply promptly for state disability insurance, workers' compensation insurance, or long-term disability benefits, whichever is applicable.

Medical certification of disability must be submitted at or before the start of a disability leave of absence and at least every thirty (30) days of leave thereafter, stating the nature of the disability and the expected date of return to work. Requests to extend an initial leave must be accompanied by supporting medical certification and must be received by the supervisor at least two (2) working days in advance of the

previously estimated return date. An employee returning to work from a disability leave must give at least two (2) days' advance notice to the supervisor and, upon returning to work, must submit a written release from the employee's physician. Employees returning from such a leave will be returned to the job they left unless, for organizational reasons, the Coalition was unable to hold the job open or to fill it temporarily because to do so would have resulted in an undue hardship on the agency. The Coalition may, in the absence of a substantially similar position, offer the returning employee a lesser position at the pay rate established for that position.

Work-Related Illness or Injury Leave

A leave of absence due to a disabling work-related illness or injury is generally not limited in duration. Employees returning from such a leave will be returned to the job they left unless, for organizational reasons, the Coalition was unable to hold the job open or to fill it temporarily because to do so would have resulted in an undue hardship on the agency. The Coalition may, in the absence of a substantially similar position, offer the returning employee a lesser position at the pay rate established for that position.

Non-Work-Related Illness or Injury Leave

A leave of absence necessitated by a disabling non-work-related illness, injury, or medical condition that is temporary or of relatively short duration may not exceed two (2) months in any twelve (12) month period and does not have to be continuous. Employees returning from such a leave of two (2) months or less will be returned to the job they left unless, for organizational reasons, the Coalition was unable to hold the job open or to fill it temporarily because to do so would have resulted in an undue hardship on the agency. The Coalition may, in the absence of a substantially similar position, offer the returning employee a lesser position at the pay rate established for that position.

Resignation during a Medical Leave

Failure either to comply with the Coalition's certification or notice requirements during a leave or not to return from a leave on the first working day following the end of the leave will be considered a resignation on the part of the employee.

Long-Term Illness or Permanent Disability

An employee whose leave is necessitated by a disabling non-work-related physical or mental impairment, which substantially limits one of the employee's major life activities and is expected to be ongoing for a substantial period of time or is of permanent duration, may be accommodated with longer and more frequent leaves as long as such leaves will not result in an undue hardship on the agency.

Such employees will be returned to the job they left unless, for organizational reasons, the agency was unable to hold the job open or to fill it temporarily because to do so would have resulted in an undue hardship on the agency. The Coalition may, in the absence of a substantially similar position, offer the returning employee a lesser position at the pay rate established for that position.

Drug or Alcohol Rehabilitation Leave

The Coalition recognizes that drug and alcohol abuse are serious medical problems and wants to assist employees who realize that they have such a problem, which may interfere with their ability to perform their job in a satisfactory manner. Employees who decide to enroll voluntarily in a rehabilitation program due to a problem with drugs or alcohol use will be given time off to participate in such a program, and the Coalition will make reasonable efforts to keep this fact confidential.

To be granted a leave for this purpose, the employee must submit certification of enrollment in a drug or alcohol rehabilitation program at or before the leave begins. The certification must include a statement that the employee's participation in the program prevents him or her from working and must specify beginning and ending dates of the program and the employee's estimated date of return to work. An extension of the leave requires supporting documentation prior to the end of the initial leave.

Employees returning from such a leave will be returned to the job they left unless, for organizational reasons, the Coalition was unable to hold the job open or to fill it temporarily because to do so would have resulted in an undue hardship on the agency. The Coalition may, in the absence of a substantially similar position, offer the returning employee a lesser position at the pay rate established for that position.

Return to Work After Serious Injury or Illness

Notification will be necessary and it shall include a statement written by the employee's medical doctor specifying the length of the absence, the anticipated return date, and any restrictions, which the employee may be under when returning. As a joint protection to the employee and the company, employees who have been absent from work because of serious illness or injury are required to obtain a doctor's release specifically stating that the employee is capable of performing his or her normal duties or assignments. A serious injury or illness is defined as one that results in the employee being absent from work for more than two (2) consecutive weeks, or one which may limit the employee's future performance of regular duties or assignments.

If the cause of the employee's illness or injury was job-related, the employee's supervisor/manager will make a reasonable effort to assign the returning employee to assignments consistent with the instructions of the employee's doctor until the employee is fully recovered. A doctor's written release is required before employment can be resumed.
