

ATTENDANCE MONITORING POLICY AND PROCEDURE

PURPOSE

This procedure is to ensure the Coalition complies with its contractual requirement to conduct monitoring activities to validate the accuracy of payments of the monthly reimbursement requests for the School Readiness (SR) and Voluntary Pre-Kindergarten (VPK) programs.

ROLES AND RESPONSIBILITIES

1. The Coalition will have a well-defined policy and procedure for attendance monitoring.
2. SR providers must maintain daily attendance documentation, which at minimum shall include a sign-in/sign-out process (Rule 60BB-4.502(1), F.A.C.).
3. VPK providers must keep a daily record of a child's attendance in the program. The *Form AWI-VPK 03S (Child Attendance and Parental Choice Certificate Short Form)* shall be supported by a sign-in/sign-out log or an electronic attendance-tracking system. The *Form AWI-VPK 03L (Child Attendance and Parental Choice Certification Long Form)* shall be used by the VPK provider if the provider records the child's daily attendance using a method other than the sign-in/sign-out log or an electronic attendance-tracking. (Rule 60BB-8.305(1) and (2), F.A.C.)
4. The Coalition will conduct monitoring activities designed to ensure the accuracy of payments of the monthly reimbursement process. All providers will be audited a minimum of once per year.
5. The Coalition will offer training and technical assistance to providers on how to maintain daily sign-in/out sheets as required.
6. The Coalition will compare attendance records submitted for payment, to the parent signatures on the sign-in/sign-out sheets when conducting attendance auditing to ensure that provider payments reflect actual attendance.
7. The Coalition will review and correct payment validation issues discovered during the course of an

attendance audit.

8. The Coalition will adjust payments as needed as a result of attendance monitoring.
9. If extensive and/or serious discrepancies are found, such as falsifying documentation for children in care, the case may be forwarded to the state for investigation of possible fraud.

AUDITING PROCEDURE
